

LITTER LESS CAMPAIGN

The Litter Less Campaign is a joint initiative of the Mars Wrigley Foundation and Foundation for Environmental Education. Since its launch in 2011, the Litter Less Campaign has educated over four million students around the world about the challenges of litter and waste in their communities and empowered them to become leaders driving sustainability and positive behavioural change.

Mini Litter Less Campaign 2021
Foundation for Environmental Education

Certificate of Appreciation

Presented to

for your participation in the Mini Litter Less Campaign through our environmental education programmes and your cooperation on the Impact Measurement Survey

A handwritten signature in blue ink, appearing to read "DS".

DANIEL SCHAFFER
